A.I.AUDIT-SERVICE

Founded in 1993

a full member firm of the

International Association
of Practising Accountants

... serving businesses
around the world.

In April 2004 the A.I.AUDIT-SERVICE Company joined the **International Association of Practising Accountants**.

IAPA – a global association of independent professional firms providing accounting, audit, business consultancy and tax advisory services to clients around the world.

IAPA, set up in 1979, now embraced more than 250 firms in around 52 countries in Europe, the Americas, Middle East, Africa, Asia and Australia.

With about 1200 partners and 10 000 staff members, the Association's total annual turnover during the financial year amounted to more than \$848 million, ranking **IAPA** among TOP-25 international accountancy networks and associations.
